“ Ronald, Laura, Joe, Lauren,
I am so sorry to hear of your loss/our loss. Lisa always shared her brightness unconditionally. So many memories of being a Suspects groupie, dancing the night away. Many memories of her beautiful smile and such sweet soul. She had such joie de vie that was contagious - you wanted to be near her. My heart aches. May these memories help celebrate the wonderful woman she was.

“ Joe,
Words can't express how shocked I was when I read this in the paper. Just saw you two maybe 6 months ago and we were laughing and having a good time. Lisa was too young and full of life to be taken into eternal rest. Our deepest sympathies go out to you and your family. We are so sorry for your loss.
